A vibrant collection of spices and herbs. In the background, several wooden bowls are filled with powders: bright yellow turmeric, deep red paprika, and a green herb powder. To the right, there are whole ginger roots and a large pile of yellow powder. In the foreground, several wooden scoops are arranged, each containing a different spice: red chili powder, green herb powder, brown mustard seeds, yellow turmeric powder, dried red chilies, and brown powder. Scattered on the dark surface are small brown seeds and a few dried red chilies.

A close-up, slightly angled view of a row of dress shirts hanging on metal hangers. The shirts are in various colors: light blue, white, and a patterned grey and white. The focus is sharp on the shirts in the foreground, showing the texture of the fabric and the details of the collars. The background is softly blurred, showing more shirts and hangers. A bright orange vertical bar is on the far left edge of the image.
